

INSTRUCTIONS FOR SAMPLE COLLECTION OR PATIENT'S PREPARATION

CYCLOSPORINE BLOOD LEVEL

Dear patient:

To ensure a reliable result, please follow the recommendations below:

- It is essential to follow the dose and the sample collection schedule according to the medical prescription, as follows:
- Level C2/PEAK: You should be at the clinical laboratory 2 hours **after** taking the medication.
- Level C0 zero/BASELINE: You should be at the Clinical Laboratory 1 hour **before** taking the medication.

Important: Inform the laboratory assistant of the time and amount of the last dose taken. Please keep in mind that there may be a wait of 10 – 20 minutes between your arrival and the sample collection.

If you have any questions, please call us at phone number 331 9090 (Ext. 3152 – 3132 – 6468 – 6469 – 4154).

Remember that according to Law 100/1993, it is the patients' DUTY, to take self-care measures and adhere to their Treating Physician recommendations.
